

Pro-Vite

Ultra High-Potency Sports Formula

Max Muscle Sports Nutrition is proud to introduce **Pro-Vite Ultra High-Potency Sports Formula**. This scientifically engineered dietary supplement contains a comprehensive spectrum of ultra-high-potency multi-vitamin/multi-minerals along with a Nutraceutical/Antioxidant Blend, Digestive Enzyme Blend and Proprietary Amino Acid Blend to support sustained energy production for the most demanding athlete. **Pro-Vite** is a 100% pure formula delivering 65+ nutrients in their most effective biochemical forms and potency levels to achieve a perfectly balanced and optimally active formula.

Pro-Vite contains 31 essential vitamins and minerals, including high potency B-Complex vitamin cofactors to support the cellular enzyme systems involved with energy metabolism. Also containing 800 mcg (200% DV) of Folic Acid, 100 mcg (1,667% DV) of Vitamin B-12 and 2,000 mcg (666% DV) of Biotin. The major, trace and ultra-trace minerals found in **Pro-Vite** include Calcium, Magnesium, Zinc, Manganese, Copper and Boron for optimal bone health along with Magnesium and Potassium for muscle function.

The **Pro-Vite** Nutraceutical/Antioxidant Blend provides 14 powerful ingredients to specifically scavenge reactive oxidative species (ROS) metabolites that can be produced during and following high intensity exercise. The ROS are highly reactive oxidants causing cellular damage to DNA, proteins and lipids. The antioxidants including CoQ10, Alpha-Lipoic Acid, N-Acetyl Cysteine, Resveratrol (trans), Reduced Glutathione and EGCG are critical to support the defense systems to protect cellular components against ROS.

Pro-Vite adds 2,000 mg of all 20 amino acids to support protein synthesis and recovery following exercise.

The Digestive Enzyme Blend contained in **Pro-Vite** includes a broad spectrum of 18 digestive enzymes to assist the bodies own enzyme systems to expedite the breakdown of the energy nutrients, carbohydrates, proteins and fats in the intestines.

Pro-Vite's ultra-fine powder is provided in six easy-to-swallow capsules to ensure rapid assimilation and free of gastrointestinal irritation. The capsules may be taken throughout the day, preferably with meals, for individuals to customized optimal delivery and absorption times.

Size: 180 Capsules (1 gm Each)

Serving Size: 6 Capsules

Servings Per Container: 30

KEY FEATURES

- *Comprehensive and Completely Balanced Sport Formula[†]*
- *Ultra High-Potency, Multi-Vitamin/Multi-Mineral Dietary Supplement[†]*
- *Contains Proprietary Blends of Antioxidants, Digestive Enzymes and Amino Acids*
- *Scientifically Engineered For High Performance Athletes to Support Optimal Performance and Recovery[†]*
- *Supports Continuous Energy Utilization in Muscles Throughout the Day[†]*

KEY MESSAGES

- *Scientifically formulated to contain a comprehensive spectrum of ultra high-potency vitamins and minerals to support energy, optimal performance and recovery[†]*
- *High quality and pure ingredients[†]*
- *Contains 31 vitamins and minerals in their most effective biochemical form and potency levels[†]*
- *Contains an advanced Nutraceutical/Antioxidant Blend specifically designed to scavenge reactive oxidative species (ROS) at the cellular level that may be produced during extreme exercise. These antioxidants include the Mixed Carotenoids, Vitamins C and E, Citrus Bioflavonoids, Selenomethionine, Alpha Lipoic Acid, N-Acetyl Cysteine, Reduced Glutathione, Resveratrol (trans), Green Tea EGCG and Lycopene.*
- *High-potency formula providing a Proprietary Blend of all 21 amino acids at 2,000 mg (2 gm) per serving.[†]*

180 Capsules

Size: 180 Capsules (1 gm Each)
Serving Size: 6 Capsules
Servings Per Container: 30

Supplement Facts		
Serving Size: 6 Capsules	Servings Per Container: 30	
	Amount Per Serving	%DV*
Vitamin A (as Retinyl Acetate)	1500mcg	200%
Mixed Carotenoids (beta-carotene, alpha-carotene, zeaxanthin, cryptoxanthin, lutein)	2500mcg	—
Vitamin C (as Calcium Ascorbate)	300mg	500%
Vitamin D-3 (as Cholecalciferol)	12.5mcg	125%
Vitamin E (D-Alpha Tocopheryl Succinate)	33.3mg	166%
Thiamine (as Vitamin HCl)	15mg	100%
Riboflavin	5mg	294%
Niacin, B-3 (Nicotinamide)	50mg	250%
Vitamin B6 (as Pyridoxine HCl)	20mg	1000%
Folic Acid	800mcg	200%
Vitamin B12 (as Cyanocobalamin)	100mcg	1667%
Biotin	2mg	666%
D-Calcium Pantothenate (as Pantothenic Acid)	15mg	150%
Calcium (as Calcium Ascorbate)	30mg	3%
Iron (Iron Citrate)	5mg	29%
Iodine (as Potassium Iodide)	150mcg	100%
Magnesium (as Magnesium citrate)	400mg	100%
Zinc (as Zinc Citrate)	30mg	200%
Selenium (as Selenomethionine)	200mcg	286%
Copper (as Copper Citrate)	3mg	150%
Manganese (as Manganese Citrate)	7mg	350%
Chromium (as Chromium Polynicotinate)	240mcg	200%
Molybdenum (Molybdenum Aspartate)	75mcg	100%
Potassium (as Potassium Phosphate)	40mg	1%
Boron (as Boron Glycinate)	2mg	**
Vanadium (as Vanadium Citrate)	40mcg	**
Nutraceutical/Antioxidant Blend	300mg	**
<small>PN4 (as Riboflavin, Ascorbic Acid, Phosphatidyl Choline, Inositol, PABA, Citrus Bioflavonoids, Phosphatidyl Serine, Coenzyme Q-10, Alpha Lipoic Acid, TMG (as Trimethylglycine), N-Acetyl Cysteine, Resveratrol, Glutathione, Resveratrol (trans), Green Tea EGCG, Lycopen</small>		
Digestive Enzyme Blend	25mg	**
Amino Acid Proprietary Blend	2000mg	**
<small>Glutamine, Isoleucine, Glycine, Tryptophan, Taurine, Methionine, Phenylalanine, Threonine, Tyrosine, Cysteine, Alanine, Valine, Arginine, Leucine, Aspartic Acid, Proline, Glutamic Acid, Serine, Histidine, Leucine, Ornithine, Carnosine</small>		
	60mg	**

*Percent Daily Values are based on a 2,000 calorie diet.
 **Daily value not established.

DIRECTIONS: Take 3 capsules with morning meal; 3 capsules with evening meal.

OTHER INGREDIENTS: Magnesium stearate and gelatin.

KEEP OUT OF THE REACH OF CHILDREN. Do not, under any circumstances, provide this product to children under the age of 18 without a physician's examination and clearance.

STORE IN A COOL, DRY PLACE AWAY FROM MOISTURE, SUNLIGHT AND EXCESS HEAT. ALWAYS KEEP TIGHTLY SEALED IN THE ORIGINAL CONTAINER.

WARNING STATEMENT: Consult a Physician before starting any diet and exercise program and before using this product. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience unexpected side effects. If pregnant, nursing or taking prescription medications, consult a licensed healthcare practitioner prior to use.

ALLERGY INFORMATION: Manufactured in a facility that processes milk, soy and egg proteins, peanuts, other tree nuts and wheat.

To report any adverse events call 1-800-332-1088.
