

Regena-Pro

Liquid Hydrolyzed Collagen Protein

MMSN introduces **RegenaPro**, an easy way to add fat-free hydrolyzed collagen protein (HCP) to support the health of your hair, skin, nails, joints and other connective tissues. Collagen is the most abundant protein in the body and the chief protein that makes up connective tissue. As we age, it has been estimated that we lose approximately 1% of our collagen per year and the skin, being the largest organ of the body, contains the most abundant amount of collagen.† The chemical makeup of the hair, skin and nails is very similar to that of the collagen protein found in **RegenaPro**. The hydrolyzed collagen protein found in **RegenaPro** is a complete and highly-pure protein containing all of the 9 essential amino acids and uniquely rich in glycine, proline, hydroxyproline, lysine and hydroxylysine to provide the building blocks for healthy hair, skin, nails and joints.† **RegenaPro** is fast, safe, and easy to use every day. The refreshing liquid orange flavor tastes great as a stand alone drink or mixes easily into water, juice, or added to your favorite protein shake. **RegenaPro** also contains aloe vera juice, a botanical recognized for centuries for its remarkable health-enhancing properties along with soluble fiber, arginine and essential minerals. An additional benefit of this formulation is that it makes any protein shake taste creamier and richer. Many of us are looking for a way to get more protein with less hassle and **RegenaPro** is ideal for high protein low carb dieters. When combined with proper nutrition and regular exercise **RegenaPro** will help you achieve the healthy and younger appearance of your skin, hair and nails.†

Size: 16 fl oz., (473ml)
Serving Size: 30ml (1 fluid ounce)
Servings Per Container: 16

KEY FEATURES

- Multi-Functional, Hydrolyzed Collagen Protein
- Liquid Protein Providing 9 gm Hydrolyzed Collagen Per 1 Ounce Serving
- Contains Aloe Vera Juice, Soluble Fiber, Magnesium, Chromium and Arginine
- Support for Healthy Hair, Skin, Nails, Joints and Connective Tissue†
- Great Refreshing Orange Flavor

KEY MESSAGES

- Makes any protein shake taste creamier, richer and better.†
- Use as a stand alone liquid protein or adds additional protein to any protein shake.
- Zero calories from fat with zero cholesterol.
- One (1) gm soluble fiber per one (1) fluid ounce serving.
- Source of complete protein rich in glycine, proline, hydroxyproline, lysine and hydroxylysine.†
- Contains aloe vera juice for additional support of healthy skin and overall health.†
- Supports healthy hair, skin and nails.†
- Supports healthy joint cartilage and connective tissue.†

TARGET MARKET

Primary: Those looking for a great tasting, stand-alone, liquid protein or to increase protein and creaminess to their existing protein shake.

Secondary: Those looking to add a tasty source of easily digested protein to their diet for healthy muscles, hair, skin, and nails.
